Thanks Jen.

Pursuant to my voicemail message, I confirm that the 30(b)(6) deposition of Thompson, originally scheduled for next Monday, October 31st, will be postponed by agreement until the latter of: (1) a reasonable time after the Court has ruled on Shareholder's pending Motion to Compel production of documents regarding the CCBN-Thompson transaction and agreements between certain individuals and CCBN / Thompson; or (2) a reasonable time after the production of the documents sought by that Motion (pursuant to a Court order or otherwise).

If that is not your understanding of our agreement, please let me know immediately.

Regards,

- Carlos
